Javier

Javier is a Latin American who wants to succeed as an actor. He loves to make people happy and give everyone a good laugh.

Everyone deserves to have a good day - Javier

PumpKid

Pumpkid visits every Halloween to take over Candy World by collecting all the sweets and sell them to miss Jelly Queen. Pumpkid gets easily annoyed by everyone.

HALLOWEEN EDITION

UI Start Menu

This is how the menu would look like if Candy Crush had a Halloween Edition. Pumpkid is the main villain for Halloween and you need to save Candy World by stopping Pumpkid who wants to collect all the sweets.

Illustration

This is an illustration I made when Javier presents himself to the world of Candy World. He brings everyone together for an amazing show.
